Dear Martin

**Re: Derby Crown Court proceedings – 3<sup>rd</sup> August 2007**

We refer to your appearance before the Derby Crown Court on the above date and write to confirm the outcome of your case.

You had entered a not guilty plea to an offence of affray on an earlier occasion. Your case was listed for trial on 13<sup>th</sup> March. At the conclusion of the trial you were found guilty of the offence of affray.

During the trial you were represented by Messrs Robert L Bashforth. You dispensed with their services and instructed us to deal with your case.

For the offence of affray you were sentenced to 12 months imprisonment.

Your barrister is looking into the possibility of an appeal against conviction and we will let you have his advice in due course.

We are making arrangements for Helen Wragg to see you over the video link and we will contact you separately when a visit has been booked.

Yours faithfully
